\* \$5000 from the General Reserve for the Emergency Dam Operations Plan required by the State of Connecticut DEP was approved at the special Association meeting and added to the current 2009-2010 budget.

Proposed changes in budget expenditures for 2010-2011 include: Increasing Lake Recommended Maintenance (septic pumping) by \$1500, Lake Testing & Dam Maintenance by \$200 to allow for three tests, and decreasing the Weed Removal Reserve addition to zero this year to accommodate the ongoing drainage work. Proposed road drainage work includes \$6650 in regular budget expenditures and an additional \$10,000 from the Road Drainage Reserve. Proposed expenditures from reserves also includes \$6247.29 for this year's weed removal. (The \$247.29 is the remainder in the Lake Quality Preservation Reserve that came from the sale of the old clubhouse land and was earmarked for weed removal.)
